

The logo for AMOMATIC, featuring the word "AMOMATIC" in white, bold, uppercase letters inside a dark green rectangular box. The box is centered and has a slight 3D effect with a grey shadow underneath.

## **A MESSAGE FROM THE CHAIRMAN**

*With the existence of AMOMATIC OY as the leading asphalt plant in the Nordic countries for more than a century now, we take pride by saying that our company has experienced much growth not only in the manufacturing of asphalt mixing plants but providing excellent quality solutions and technology through our forward-thinking digitalized designs. We are living our dream of making the highest standard asphalt plants and modules that would touch and transform the lives of our customers by giving them the best quality, user friendly equipment, and reliable machines that would be a joy to work with--Machines that would enhance the contractor's efficiency at work, enable them to complete their projects ahead of schedule with better quality of roads.*

*In this industrial milieu where the clients have a lot of choices, our vision and commitment are to offer the most exceptional quality and economize their costs and productivity to meet and exceed our customer's expectations.*

*The success of our company is built through a collective effort and teamwork of our employees that work towards customer satisfaction with a high degree of professionalism and integrity to every customer.*

*We stand committed to innovation and our assurance is to bring the highest quality and apply the latest technology machines to this industry.*

*We will strive to continue growing together with our clients as partners as experience is our foundation, engineering is our passion and customer satisfaction is our motivation.*

Sincerely,

**AHMAD SAUD**

Chairman of the Board
